

Thank God For Kids

Eddy Raven

If it weren't for kids have you ever thought
there wouldn't be no santa claus
and look what the stork just brought thank god for kids
and we'd all live in a quiet house
without big bird or mickey mouse
and kool aid on the couch thank god for kids

Thank god for kids, there's magic for a while
a special kind of sunshine in a smile
do you ever stop to think or wonder why
the nearest thing to heaven is a child

Daddy, how does this thing fly?
A hundred other wheres and whys
You really don't know but you try
thank god for kids
When you look down in those trusting eyes
that look to you, you realize

There's a love that you can't buy
Thank god for kids
When you get down on your knees tonight
to thank the lord for his guiding light
and pray they turn out right thank god for kids
