

## In Your Mind

Eddy Wata

What's you give in mind  
Is it love I have find  
Next my feeling really gets high  
In your mind is it love I have find  
Next you really, raising my life  
I can give you my mind  
Is it love I have find  
Next my feeling really gets high  
In your mind is it love I have find  
Next you really, raising my life
