

# Get Over Yourself

Eden's Crush

Uh-huh  
Yeah, yeah, yeah  
Get over, get over (yourself)

Yeah, I was right there like a little wife  
I was everything that you need, always in line  
I was livin' you, lovin' you  
Fillin' your desires  
But that was then, this is now  
Look me in the eye and

Oh, oh  
If love could choose sides  
Oh, oh  
It's takin' my time

[1] - Get over yourself, goodbye  
It must be hard to be you, yeah, livin' in your life  
I was always the one to cry  
Now everything, everything, everything is alright  
Get over yourself, know why  
Cuz without you, see I do anything I like  
Sometimes I stay out all night  
And everything, everything, everything is alright

This just can't be it i kept telling myself  
And every magazine said was me was on the shelf  
I was givin' out, givin' in  
Givin' away my dreams  
You put it in, put me down  
Now I got my self-esteem

Oh, oh  
Won't get me back, no  
Oh, oh (no no)  
Get over it, yeah

[Repeat 1]

So now you wanna talk  
Say let's do it just once more for luck  
Like old times make up  
Better yet, just forget  
Better get over yourself

Stay in touch  
When you learn a few things about love (tell me baby)  
So then wake up  
Better yet, better get  
Better get over yourself

Get over yourself, goodbye (over yourself, goodbye)  
Over yourself, over yourself  
Get over yourself, goodbye (over yourself, goodbye)  
Over yourself, over yourself

Get over yourself, goodbye

Cuz without you, see I do anything I like  
Sometimes I stay out all night  
And everything, everything, everything is alright

[Repeat 1]

[Repeat 1]

Get over yourself, goodbye (everything is alright)  
Everything is alright (get over yourself)  
Get over yourself, goodbye (everything is alright)  
Everything is alright (get over yourself)  
Get over yourself, goodbye
