

# Higher Than Heaven

Eden's Crush

You take me higher, you take me higher,  
You take me higher... than I've ever been before!

When I was down (down), you always gave me the faith  
You stucked around (round),  
Gave me the strength to move on  
I have no doubt  
I'm gonna hold my head high  
This time around, I'll keep my feet on the ground  
With you I'm complete  
Feels so right don't ask me why (feels so right don't ask me why)  
No one can change me, you're the one that takes me higher (oh yeah)

Chorus:

Give me love, get me up, give me all that I need  
You're taking me higher than heaven  
Bring me joy, to my life, with sweet harmony (you're taking me)  
You're taking me higher than heaven

Now I'm no fool, and everyone don't play by the rules  
I've learnt to fight (ohh..) for what I want out of life  
Can't fault the way (you helped me day after day)  
Your voice of love, takes me higher and higher

Without you with me, there's no way I could survive  
(there's no way I could survive)  
My smile is honest 'cause I'm on a spiritual high (ooooooh)

Give me love, get me up, give me all that I need  
You're taking me higher than heaven  
Bring me joy (hmm), to my life (ohh), with sweet harmony  
You're taking me higher than heaven

Shaking me, making me, taking me,  
Higher and higher than heaven, (higher than heaven)  
Shaking me, making me, taking me,  
Higher and higher than heaven (higher than heaven)  
ohhh, It feels like I'm in paradise

Give me love, get me up, give me all that I need  
You're taking me higher than heaven (higher than heaven)  
Bring me joy, to my life, with sweet harmony  
You're taking me higher than heaven  
(wwwwwwhhooohhhhhhhoooooo)

Give me love, get me up, give me all that I need  
You're taking me higher than heaven (Feels like I'm in paradise)  
Bring me joy, to my life, with sweet harmony  
You're taking me higher than heaven

Repeat chorus til' fade...
