

## Evermore

Edenbridge

Earthborn child  
Take me to places beguiled  
You feast my eye on  
So high-flown  
And heavenly styled

In all your splendour  
You're the force  
My vein of gold

Stay  
Make my heart sway  
And light my way  
Flow on the drain of life  
Try  
And you'll espy  
The one thereby  
A kiss of eternity  
Evermore

Stream my mind  
Leaving the daydreams behind  
Those pearly waters  
A halo  
A light for the blind

In all your splendour  
You're the force  
My vein of gold

Stay  
Make my heart sway  
And light my way  
Flow on the drain of life  
Try  
And you'll espy  
The one thereby  
A kiss of eternity  
Evermore

"The one that stays, one that sways  
I espy, a moonlit sky"

Stay  
Make my heart sway  
And light my way  
Flow on the drain of life

Stay  
Make my heart sway  
And light my way  
Flow on the drain of life  
Try  
And you'll espy  
The one thereby  
A kiss of eternity  
Evermore
