

Hunk O' Da Funk

Edgar Winter

Call me white trash
But that don't make me no punk
I'll drink a 6-pack
But that don't make me no drunk
You can have my piece of the rock
All I want is a hunk of the funk
I believe in God
But that don't make me no monk
Life is like Eve's apple
Everybody wants a chunk
You can talk about good and evil
All I want is a hunk of the funk
Hunk of the funk (hunk o'da funk)
Hunk of the funk (hunk o'da funk)
Hunk of the funk (hunk o'da funk)
Hunk of the funk (hunk o'da funk)
I used to get so high
Smokin' weed until I stunk
I tried every kind of drug
All the way from acid down to junk
But just one thing got me off
Good God gone and gave me a hunk of the funk
Hunk of the funk (hunk o'da funk)
Hunk of the funk (hunk o'da funk)
Hunk of the funk (hunk o'da funk)
Hunk of the funk (hunk o'da funk)
(break down)
Alright
Let's go all night
Come on
Don't do me wrong
(outro)
Hoooh Lord
Come on and save me
Good God
Come along and gave me
A hunk of the funk
(hunk o' da funk)
Hunk of the funk
(hunk o' da funk)
Etc.
