

It's Your Life To Live

Edgar Winter

It's your life to live
It's your love to give, hey baby
It's your life to live
It's your love to give

Let your love light shine
I wanna make you mine
Let it shine bright too
As mine shines on you

Well I'm falling in love with you, baby
(I'm in love with you, baby)
I'm falling in love with you
(Can't help hoping that, baby)
I can't help hoping that, baby
(You're falling in love with me too)
You're falling in love with me too

It's your life to live
It's your love to give, hey baby
It's your life to live
Hey, hey, hey, it's your love to give
Come on, come on and give me a try, yeah

You're the song that I sing
You're my everything
Let me sing it for you
What else can I do, yeah?

I'm falling in love with you, baby
(I'm in love with you, baby)
I'm falling in love with you
(Can't help hoping that, baby)
I can't help hoping that, baby
(You're in love with me too)
You're falling in love with me too

It's your life to live
It's your love to give, hey baby
It's your life to live
Hey, hey, hey, it's your love to give

It's your love to give, oh, oh, oh, hey, hey
It's your love, it's your love, yeah, yeah, yeah
It's your love, it's your love, it's your love
It's your love, it's your love, yeah

It's your life to live
It's your love to give, hey baby
It's your life to live
Hey, hey, it's your love to give
It's your love to give, yeah, oh, oh, oh

Come on, come on, come on
Hey, give it to me girl
It's your life to live
It's your love to give

It's your life to live
It's your love to give

It's your life to live
It's your life to give
Come on and give it to me
Give it to me, baby

It's your love to give
It's your life to live
It's your love to give it
Give it, give it to me, girl
It's your life to live
It's your love to give

It's your love to give
It's your love to give
It's your life to live
It's your life to live

It's your love to give
It's your life
It's your life
It's your life

It's your life to live
It's your love to give
It's your life to live

It's your life to live
It's your love to give
It's your life to live
