

## Save My Soul

Edge of Dawn

Crystal clear  
Turquoise and white  
Perfect colours  
Blinding light  
Raging love  
Hold on tight  
To the fire

Come  
To the rescue of my soul  
From the shadows of my memories  
I'm shattered  
Make me whole  
You know how to do it

Twisted thoughts  
To justify  
Vivid visions  
In the night  
Final call  
Hold on tight  
To Desire  
To the fire
