

# The Nightmare I Am

Edge of Dawn

Dreams of flying  
Fear of falling  
I will shoot  
That bird, so cute  
That bird

Devastation  
Breeds temptation  
And reason  
Unheard, no proof

It's a nightmare  
The nightmare I am  
Torn between love and sin  
You don't understand

It's your nightmare  
The nightmare I am  
Double standards, too much passion  
A devilish blend

Dreams of flying  
Fear of falling  
I will kill  
For the thrill

Long for tragedy  
Fear harmony  
Dependent  
And always scared

Repair me  
It's a nightmare  
Don't scare me  
The nightmare I am  
Please me  
Torn between love and sin  
Release me  
You don't understand

Spread for me  
It's your nightmare  
Adore me  
The nightmare I am  
Bear me  
Double standards, too much passion  
Don't scare me  
A devilish blend

It's a nightmare  
The nightmare I am  
Torn between love and sin  
You don't understand

Spread for me  
It's your nightmare  
Adore me

The nightmare I am  
Bear me  
Double standards, too much passion  
Don't scare me  
A devilish blend
