Depression ain't the reason why everything turns grey  
When my mind's been drained through the stream of frozen minds  
The hollow one  
And thousands have walked this narrow way  
But I'm not that kind of man  
I wanna stay in my old me  
Not leave this peaceful space

But every step brings me further and further away  
Away from the man I used to be  
I'm hollow  
I'm cleaned  
All fantasies erased from the sleepless dreams  
I'm empty  
I'm blank  
Lost in an ocean where my soul's been sunked

Confusion greets me when I awake  
I'm feeling restless inside  
Not even raised from bed I wanna scream it all up  
My artificial joy  
From a mouth not mine  
My hands are shaking of rage  
Soon the last peace of me is gone  
And nothing in my world  
Can stop the hate inside from growing strong

What I not know  
I am not alone  
They are all around  
The hollow ones  
all erased inside  
I ain't here no more
