## Hollow

**Edge of Sanity** 

Music: Andreas Axelson, Benny Larsson Lyrics: Andreas Axelson Andreas Axelson: Guitar Benny Larsson: Drums Anders Lindberg: Bass Dan Swano: Lead Vocals Depression ain't the reason why everything turns grey When my mind's been drained through the stream of frozen minds The hollow one And thousands have walked this narrow way But I'm not that kind of man I wanna stay in my old me Not leave this peaceful space But every step brings me further and further away Away from the man I used to be I'm hollow I'm cleaned All fantasies erased from the sleepless dreams I'm empty I'm blank Lost in an ocean where my soul's been sunked Confusion greets me when I awake I'm feeling restless inside Not even raised from bed I wanna scream it all up My artifical joy From a mouth not mine My hands are shaking of rage Soon the last peace of me is gone And nothing in my world Can stop the hate inside from growing strong What I not know I am not alone They are all around The hollow ones all erased inside I ain't here no more
