

# Submerged

Edgewater

Quicksand

I'm sucked down in again

Blinded by the Earth today

Deep beneath the undertow

But I'm two feet too short to reach it

I'm paralyzed

I'm paralyzed

I'm in so deep that I get sick inside

Submerged and I am out breath

Feel I fought a war today

And now I'm drowning in my my debt

There's no one left to blame

Since you would lay at night

And open my arms and say...

I'm paralyzed

I'm paralyzed

I'm in so deep that I can't see the light home

It's over rated, the time we spent here

I'm suffocating, but I can't catch my grace

Lies...

I'm paralyzed and out of breath

Looking back at past regrets

Where did I slip up?
