

Defenders of the Crown

Edguy

Seven seas crossed seven times at least
Back and forth we sailed to proselytize
Well drag you over
A better world is waiting
At the end of what we're saying
Never failed to fertilize from Perth to Dover

Here we go:
Countless childhood dreams flaunted for the world to see
What a show!
Go where no man's been before - yet we're charging open doors

We're defenders of the crown
We're defenders of the crown
We're defenders of the crown
We're defenders of the crown

Have you heard the last words of the fallen-by-the-waysides
Such as "don't you ever leave the beaten track!"
A dirty job: it's Marshall arts
It's wicked through and through like me and you
Just another glass and then: Attack!

Here we go...

Here we go:
Countless childhood dreams flaunted for the world to see
What a show!
Go where no man's been before - yet we're charging open doors

We're defenders of the crown - We're defenders of the crown
We're defenders of the crown... and we also eat monsters!

[master of ceremonies]: Woah oh oh hoe oh hohoe?
[voices of the damned]: Woah oh oh oh oh oh oh!
[master of ceremonies]: Woah ho ho hoe oh hohoe?
[voices of the damned]: Woah oh oh oh oh oh oh!!
[master of ceremonies]: Woah oh hoe oh oh oh oh hohoe???
[voices of the damned]: Woah oh oh oh oh oh oh oh oh!!!!
[master of ceremonies]: Woah oh oh oh hoe hohoe????
[voices of the damned]: Woah oh oh oh oh oh oh!!!!!!!
[master of ceremonies]: Woah oh oh oh hoe?????
[voices of the damned]: Woah oh oh oh oh!!!!!!!
Oh yeaaaaaaah!!!!

We're defenders of the crown
We're defenders of the crown
We're defenders of the crown
We're defenders of the crown

We're defenders of the crown
Of the crown the defenders we are too
We're defenders of the crown
Of the crown the defenders we are too

Hahahaha
We will eat you
