

## Overture

Edguy

Nowhere yo run  
Nowhere to go  
Welcome to life damnation  
Welcome to fun  
Welcome to hope  
Here is your invitation  
Welcome to the gate  
To the unknown fate  
Waiting for a better day  
Jesters dance around  
Slowly growing old  
Having party while they stay

Nowhere to run  
Nowhere to go  
Welcome to life damnation  
Welcome to fun  
Welcome to hope  
Here is your invitation
