

Let me tell you a story about an ugly woman I know...

"Hello girls!"

"Hello Tobi you hot little machine!!!"

I'm a sight for sore eyes  
Oh, if your eyes would only see  
I've been born on tiptoe  
Still you LOOKED like a lighthouse next to me

You pet-named me Napoleon  
I was proud 'til I got the reason why , why.....  
Never aimed for confrontation  
You've been sleeping when I kissed your ass goodbye

Oh, while you read this letter  
I'D just GONE TO eat out  
By the way

My WHAT A sunshine in Trinidad  
Hope you're okay lightyears away  
My WHAT A heatwave in Trinidad  
Hope you don't mind if I stay

PITCHER GOES TOO OFTEN to the well  
And now the PITCHER'S gone insane  
GOTTA run away, BOILING over, getting hell  
And found the answer on a plane

Oh, I've been pissing off  
BEFORE you might could have pissed me off.  
I hope you're fine, yeah

My WHAT A sunshine in Trinidad  
Mind if you stay, I do okay  
My WHAT A heatwave in Trinidad  
SUNBURNT A NIGHTFLIGHT AWAY

"Honey you're looking good so far away from me  
The weather is great, the beach is great, the food is great  
Everything is great and you're so far away, I love you honey  
Greetings from Trinidad, hey!

My WHAT A sunshine in Trinidad  
Mind if you stay, I do okay  
My WHAT A heatwave in Trinidad  
SUNBURNT A NIGHTFLIGHT AWAY

"Back and home in GERMANY I was a famous porn star, hahaha"
