

## Ghost of a Dog

**Edie Brickell and New Bohemians**

How can that dog be barkin' in the backyard?  
We ran over him years ago  
How can that dog be runnin' by the backfence?  
We ran over him years ago  
Ghost of a dog  
Barkin' in the backyard  
How can that dog be scratchin' at the back door?  
We ran over him years ago  
How can that dog be lying under the shady tree  
Where we buried him years ago?  
Ghost of a dog  
Flyin' through the backyard
