

2 O'clock in the Morning

Edie Brickell

Well, it's 2 o'clock
In the morning
And I'm sittin' thinkin', wonderin'
Gettin' curious about one thing

Because you and I
Have a lot in common
And I figure it's the reason
Why we get along so easily

Natural friends
Oh, yeah, yeah, yeah
Would it ruin everything if I wake up
And find your arm around me?

'Cause my mind can play some games
And think somethings that are entirely wrong
And I'm tryin' to restrain myself
And make myself not notice your charm

But it's 2 o'clock
In the morning
And I'm sittin' thinkin', wonderin'
If you're sittin' thinkin' and wonderin'

Natural friends
Oh, yeah, yeah, yeah
Would it ruin everything if I wake up
And find your arm around me?

Oh, and it aches like a secret
And I can't hardly keep it
Walk away before we get lost

Natural friends
Oh, yeah, yeah, yeah
Would it ruin everything if I wake up
And find your arm around me?

It's 2 o'clock
In the morning
Would it ruin everything if I wake up
And find you here with me?

Would it ruin everything if I wake up
And find you here?
