

## I Do

**Edie Brickell**

People pointing finger painting the world  
Leaving me their silhouette on my life  
And I'm filling in the negative space with  
positively everything

I do, I do  
And it's all because of you  
I do, I do  
And it's all because of you

It's not emotion I feel for you  
It's not devotion that I want from you

I want someone to follow  
Who doesn't lead the way  
I want someone to listen who  
won't repeat what I say

And I'm feeling in the negative space with  
positively everything

I do, I do  
And it's all because of you  
I do, I do  
And it's all because of you
