Love Like We Do

Edie Brickell

Life is better than the days behind Whats mine is yours & whats yours is mine No aggravation that we can't get through a situation for the lucky few

And every day is just a little more of time together to be happy for I'm happy even when the times are rough 'Cause any time with you is good enough When we...Love like we do

I don't believe in hatred anymore
I hate to think of how I felt before
When anger overwhelms your very soul
it's hard to realize you'll ever know
Love like we do
