

## On the Avenue

Edie Brickell

Well, I finally got it right and I'm feelin' good  
Yes, I finally cleared my mind and I'm feelin' good

I'm gonna hang, hang, hang out on the avenue

Well, the air's warm tonight and I'm feelin' good  
Most others hide and lie tonight feelin' good

I'm gonna hang, hang, hang out on the avenue  
I'm gonna hang, hang, hang out on the avenue

I'm gonna hang out with my friends all night  
I'm gonna hang out with my friends all night  
We're gonna hang, hang, hang out on the avenue

Everybody's actin' nice and I'm feelin' good  
I'll go down and have a slice 'cause I'm feelin' good

I'm gonna hang, hang, hang out on the avenue  
I'm gonna hang, hang, hang out on the avenue

I'm gonna hang out with my friends all night  
I'm gonna hang out with my friends all night  
I'm gonna hang out with my friends all night  
I'm gonna hang out with my friends all night

We're gonna hang, hang, hang out on the avenue  
We're gonna hang, hang, hang out on the avenue  
We're gonna hang, hang, hang out on the avenue  
We're gonna hang, hang, hang out on the avenue
