

# Let Go

Edison Glass

Singing sweetly, she passed by me  
She knew, it seemed  
That sound, that song was troubling me

'OO tell' (No, no, no!)  
'Please, sir'  
(Here we go ... )

Sleepwalking, sleep, sleepwalking ...  
Last night, I awoke to an opera house full of empty seats  
Performing Einstein on the Beach  
'You've stifled this too long and the dream inside is far too strong  
You've got to, got to, learn to let go. Let go''

'Open your lips  
Let out a song  
Open your heart  
And let it sing'

(Hey, let go!)
