My Fair One

Edison Glass

Awake from winters rest Why cleave unto the dust? From lower loves, desires, pursuits, and fears Don't wait for passing moments I'm calling for you now I'm calling for you to come

Rise up my love (rise up) My fair one, come away Rise up my Love (my love) My fair one, come away

Kindle sacred flames Of love within my heart My love I count you fair This argument to rise Don't wait for passing moments I'm calling for you now I'm calling for you to come
