

Hymn to love

Edith Piaf

If the sky should fall into the sea
And the stars fade all around me
Of the time that we have known, dear
I will sing a hymn to love.

We have lived and reigned we two alone
In a world that's seemed our very own
With its memory ever grateful
Just for you, I'll sing a hymn to love

I remember each embrace
The smile that lights your face
And my heart begins to sing

Your arm, the hands secure
Your eyes that said "be sure"
And my heart begins to sing

If one day we had to say goodbye
And our love should fade away and die
In my heart, you will remain, dear
And I'll sing a hymn to love.

Those who love will live eternally
In the blue, where all is harmony
With my heart raised high to Heaven
Just for you, I'll sing a hymn to love

He unites all those who loved before...
