## **Hymn to love**

**Edith Piaf** 

If the sky should fall into the sea And the stars fade all around me Of the time that we have known, dear I will sing a hymn to love.

We have lived and reigned we two alone In a world that's seemed our very own With its memory ever grateful Just for you, I'll sing a hymn to love

I remember each embrace The smile that lights your face And my heart begins to sing

Your arm, the hands secure Your eyes that said "be sure" And my heart begins to sing

If one day we had to say goodbye And our love should fade away and die In my heart, you will remain, dear And I'll sing a hymn to love.

Those who love will live eternally
In the blue, where all is harmony
With my heart raised high to Heaven
Just for you, I'll sing a hymn to love

He unites all those who loved before...
