Best Friend Told Me
You're Dead
Asked Me' Why Are You Feeling
Sad

Life Is Hard, Look What I've Got
You Just Need Another Shot
Ain't Wanna Go Back

Now I See You Down
On The Ground
You Go Beyond The Safety Bound
I Can't Help You, I Know What You Feel
I Have New Track
And New Thrill

Ain't Wanna Go Back
Back, Back On My Track
Back, Back On My Track
Back, Back On My Track
