

Cheers!

Editor

Born To Drinking
Everybody's Drinking
Why Don't Try It
Once More Time

Drink The Water
You'll Be Better
Leave Me Alone
I'm All Alright

It's Real Bitch
Drink No Beer
Don't Be Shitting
Any Of Us
Bars And Boozes
It's Our Life

Cheers!
I Say
Nice Start
Everybody Drinks
One Beer Some Wine
'Till To Blackout

I'm A Drinker
You Buy A Round
To Get Blitzed
Day By Day
Everyday's Worry
Hangover
I Have One Foot
In The Grave
