

## Cheers!

Editor

Born To Drinking  
Everybody's Drinking  
Why Don't Try It  
Once More Time

Drink The Water  
You'll Be Better  
Leave Me Alone  
I'm All Alright

It's Real Bitch  
Drink No Beer  
Don't Be Shitting  
Any Of Us  
Bars And Boozes  
It's Our Life

Cheers!  
I Say  
Nice Start  
Everybody Drinks  
One Beer Some Wine  
'Till To Blackout

I'm A Drinker  
You Buy A Round  
To Get Blitzed  
Day By Day  
Everyday's Worry  
Hangover  
I Have One Foot  
In The Grave
