

Cry for Mercy

Editor

Forgive Me Lord My Dark
Illusion
Give Me Time
To Change My Life
All My Life Was Big Confusion
Wonder In The Labyrinth
Of Faith

Please Forgive Me,
Save My Soul
I Know Sometimes
I Lose Control
Water's Burning,
My Pride's Ignition
Skyswrath Punish My Religion

Cry For Mercy
Cry For End Of Miseries
Cry For Mercy
Cry In My Agonies

I Got A Fearful Looking Back
Shame On You, Shame On You!
I Just Hear Your Angry Scream - Liar!
I'am The First Time
On My Knees
Shame On You, Shame On You!
I Just Hear
Your Angry Scream - Liar!
