

Final Station

Editor

Am Afraid
That You Are Wrong
But My Heart
Don't Beat So Strong
I Won't Keep You
By My Truth
What's The Matter
Are You Right?

I Didn't Mean
To Offered You
But I Don't Know
Who Is Who
Tell Me How Do I Get
To Hell
How Much Is My
Endless Knell

You Came In Time
So Kill Me
Feel No Fire
Final Station
What's My Name?
So Kill Me
Deadly Flame
Final Station

I Have No Chance
So Tell To Me
Am I Danger?
Nobody See
I Want To Pray
Life Is Sorrow
Total Devastation
Of My Mind
Painful Passion
You Can Start
Choose What You Kill Me
Death - No Life
