

Our Way

Editor

Mrs. Good And Mr. Right
You Push Us To The Winning Side
You Promised Us A Life In Joy
But Wet Don't Do What You Say

All Our Life We Looked For Truth
Interntions Were Misunderstood
Everyone Calls Us Zero Boys
Madmen With The Electric Toys

One Man Told Me
"Badtimes Come
You'll Stay Alive - Stay At Home!"

Nevermind - We Go On The Way
We Kick Your Ass,
Make My Day
Hey, Hey It's Our Way
We Don't Do Now What You Say!

Hey, Hey It's Our Way
We Don't Do Now What You Say!
What You Say!
What You Say!
What You Say!

One Man Told Me
"Badtimes Come
You'll Stay Alive - Stay At Home!"

Nevermind - We Go On The Way
We Kick Your Ass,
Make My Day
Hey, Hey It's Our Way
