

Please, Kill Me!

Editor

Wanne Be Immortal
Wanna Find Way
I Must To End
This Rat Race
Wanna Live Forever
Wanna Hear Cry
Must To Change
Death For Life

I Hate
The Cold Meat Party
I Hate
To Bite The Dust
I Like
The Blood In My Veins
And Shinning In My Eyes

I Have
My Future In Hands
Like Only Man
From Dirty World
Death
Is Not Big Victory
I'm Standing Outside
Of This Game

My Damn
Is Cold Solitude
This Is
Bad Course Of Newborn Life
I'm
The Lonewolf In Dark
I'm Standing Outside
Of This Game

Death
Don't Waiting For Me
I Know
My Candle's Going On
No!
Not To Be Immortal
Death Must To End
This Fucking Game

Not To Be Immortal
Had Tu Find Way
Must To End
This Rat Race
Not To Live Forever
Wanna Hear Cry
Must To Change
Life For Death

Please
Please
Please
Kill Me!
