

# Shut Up!

Editor

This Is A Nice Fucking Life!  
We Are Shit Out Of Luck!  
It's A Dog Eat Dog World!

The Fat Politician  
Don't Lie  
In Sucked TV Show  
Alive  
He Deceives Us By  
Some Bad  
I Watch And Grumbel  
Shut Up!

Last Fucking Supplies  
I Eat  
Somewhere I Feel  
Like Shit  
Switch Off TV  
And Stop  
Don't Want Hear It  
Shut Up!

Some Bible Thumper  
Bastard  
Festive Mass In Radio  
Bullshit  
He Invokes All Saints  
Madman  
But Truth Is Other  
Shut Up!

Only Dunces Trusts  
Dip Shit  
God Don't Help You  
In Pain  
I Shatter Radio  
For Keeps  
I'm Crying Loudly  
Shut Up!

Walk In The City  
Alone  
Future's Away  
So Strong  
My Grudge Against  
This World  
Is Deeper And Deeper  
Shut Up!

Don't Scream On Me  
Shut Up!  
Don't Say It Me  
Shut Up!  
Don't Want Your Help  
Shut Up!  
I Manage Myself  
Shut Up!
