

Sick Mind

Editor

I Wanna Fuck
I Lose My Head

Streets In The Night
Crime In My Mind
I'm Looking For A Sacrifice
Tears In Your Eyes

I Feel So Nice
When You're Trying To Run Out
You Get Me Out Of Sight
Big Fear Makes You Blind

I got You, It's So Useless, I Hold You You Tight

Your Time Has Come,
My Brain Is Out
I Got You Crawling, I Wanna Fuck
My Darksides Come
Defence Is Hard

I Got You Laying, I Wanna Fuck

For Me This Is Just A Joke Which Thrills Me
For You It's A Real Fight
To Kill Me
