If something has to change
Then it always does
If something has to change
then it always does

You don't need this disease
Not right now
No you don't need this disease
Not right now

[illegible]

If something has to give
Then it always will
If something has to give
Then it always will

You don't need this disease
Not right now
No you don't need this disease
Not right now
no no not right now

[illegible]

Would you fall down
Would you fall down

[illegible]

You don't need this this disease
you don't you don't need this disease
you don't you don't need this disease
you don't you don't need this disease
you don't you don't need this disease
you don't you don't need this disease
you don't you don't need this disease
you don't you don't need this disease
You don't.
