

Feeling

Edward Maya

I'll never forget
That day when I met you
I'm missing you, my love
With all my heart

That time was for you
That time was for you
You Will Always Remember
All the Love and Grace
All the Love and Joy

You're not around
Not around
But I have found myself in you
With all my heart and my soul
I just miss you

Rappelle-toi
Ce jour, d'amour
D'enfance
Vole dans mes bras
Déploie!
Vole!
Rappelle-toi
Ce jour, d'amour
D'enfance
Vole

Keep me close to your heart
I'm burning with desire
keep me close to your soul
My love is on fire
