

Twinheart

Edward Maya

You wake up next to me
I love you can you see
Bring fire in my heart
Come on and say your love

You wake up next to me
I love you can you see
Bring fire in my heart
Come on and say your love

My sweet love come and bring you desire
Can you try hide your feelings for me
My sweet love come and set me on fire
And I want you to smile just for me.

(Feeling your love, feeling your love...)
(Feeling your love, feeling your love...)

You wake up next to me
I love you can't you see
Bring fire in my heart
Come run and say you love

You wake up next to me
I love you can't you see
Bring fire in my heart
Come run and say you love

You wake up next to me
I love you can't you see
Bring fire in my heart
Come run and say you love

You wake up next to me
I love you can't you see
Bring fire in my heart
Come run and say you love

My sweet love come and bring you desire
Can you try hide your feelings for me
My sweet love come and set me on fire
And I want you to smile just for me.

(Feeling your love, feeling your love...)
(Feeling your love, feeling your love...)

You wake up next to me
I love you can't you see
Bring fire in my heart
Come run and say you love

You wake up next to me
I love you can't you see
Bring fire in my heart
Come run and say you love

You wake up next to me

I love you can't you see
Bring fire in my heart
Come run and say you love

You wake up next to me
I love you can't you see
Bring fire in my heart
Come run and say you love
