

Janplin

Edward Sharpe & The Magnetic Zeros

Well our mama's they left us
And our daddy's took a ride
And we walked out of the castle
And we held our head up high
Well we once were the Jesters
In your Kingdom by the sea
And now we're out to be the masters
For to set our spirits free - set free

(Chorus)

We Want to feel ya!
We don't mean to kill ya!
We come back to Heal ya - Janplin soul
Edward and the Magnetic Zeros

Well your wartime is Funny
Your guns don't bother me
I said we're out to prove the truth of
The man from Galilei
Well your laws are for Dummies, yes
Your institutions dead
I say we're out to blow the trumpet
To wake you all from bed - from bed

(Chorus)

We carry the mail
We carry it home
We carry the Mail now
We carry it home
Scare up your Letters
Give us your Tails
Blowing like Whale now to
Magnetic Ears
WOW!

(Chorus)
