Edward Sharpe & The Magnetic Zeros

Mayla, long time  
Mayla, sunshine  
Mayla, know I'm  
Tryin' to see it through  
My future to the new horizon

Mayla, long time  
Mayla, sunshine  
Hold up, we're tryin'  
Our hands are bleeding through  
We're building us a new horizon

Mmmm  
Mmmm

Mayla, long time  
Mayla, sunshine  
Mayla, we're tryin'  
Our hands are bleeding through  
And messses up with you and falling

Ahhh  
And all I have to do to rise  
Is look into your eyes

Mayla, long time  
Mayla, sunshine  
Mayla, know I'm  
Tryin' to see it through  
My future to the new horizon

Mmmm  
Mmmm

Mayla  
Mayla  
Mayla
