It's 3:00 AM
I'm awake and my heart is still dreaming
It's 3:00 AM
Outside I hear the souls still screaming
It's been so long you know since my head's been this clear
Just like a ship lost in the night
I just don't know which way I should steer

But I'll keep chasing my dreams
And only you can make them real
I pour my heart out every night
But do you know the way that I feel

Sometimes this is work
And don't you know sometimes this is play
Sometimes you are listening to me
And sometimes you don't hear a damn word that I say
Sometimes there's a girl
Sometimes I go home alone
And I guess it's no wonder right now
That I do very well on my own

But I'll keep chasing my dreams
And only you can make them real
I pour my heart out every night
But do you know the way that I feel

And I will play just as long as you will listen
Now I'm in no big hurry to get back on the road
Sometimes in this lifestyle
I feel like there's so much that I'm missing
Well I'm missing you
It's just that I'm...so far from home
It's 3:00 AM
I'm awake and my heart is still dreaming
It's 3:00 AM
Outside I hear the souls still screaming
