

# Do Your Thing

Edwin McCain

Just do your thing  
If it makes you feel better  
Go on and sing  
If it makes you feel better  
Shufflin' feet  
Snuck up on me now  
This young man's lost his way  
He don't believe  
All the stuff they told him  
He's caught up in the fray  
He said I've got this great big  
Bag full of dreams  
And I don't know what to do  
I said a wise man gave me  
The key to life  
And now I give it to you  
And I said  
Just do your thing  
If it makes you feel better  
You're running that race  
A little bit faster now  
Towards your finish lines  
Such a disgrace  
You missed all the beautiful  
You can't buy back the time  
So stop and love  
And dance and live  
And laugh until you cry  
Don't wake up to realize that  
Your time has passed you by  
Just do your thing  
If it makes you feel better  
Go on and sing  
If it makes you feel better  
You can cling to your fears if you want to  
To your heart and your soul  
You must be true
