

# Get Out Of This Town

Edwin McCain

It's time to get out of this town  
There's no more fun to be found  
I'm rolling thunder with the top down  
It's time to get out, get out, get out

Crescent City high-life  
Dancing with the devil's wife  
Just like some voodoo dream  
Living on 4th and Magazine

A black rose and a chicken bone  
I don't know if I'll make it home  
Another night at Snake and Jakes  
Just a little more than I can take

It's time to get out of this town  
There's no more fun to be found  
I'm rolling thunder with the top down  
It's time to get out, get out, get out

It's time to get out of this town  
There's no more fun to be found  
I'm rolling thunder with the top down  
It's time to get out, get out, get out

Lear jets and limousines  
Found my way to the Vegas scene  
Hit hard on a sixteen  
The pit boss is getting mean

Just waiting on my car  
Rolling like the Junkyard  
Three days and some big scars  
That's what it takes to be a rock star

It's time to get out of this town  
There's no more fun to be found  
I'm rolling thunder with the top down  
It's time to get out, get out, get out

It's time to get out of this town  
There's no more fun to be found  
I'm rolling thunder with the top down  
It's time to get out, get out, get out

I'm falling down  
I'm falling down

It's time to get out of this town  
There's no more fun to be found  
I'm rolling thunder with the top down  
It's time to get out, get out, get out
