

# I Don't Know How I Got By

Edwin McCain

How did I wake up each day  
Before that moment I saw your face  
Where was I before your touch  
Nowhere is where I was without you  
Without you in it my life was just a lie  
Before you I don't know how I got by

Before I met you, before I held you in the night  
I don't know how I survived  
Before I found you, before you made everything right  
I was half alive, I wasn't really living till you came into my  
life  
I got through baby  
But I don't know how I got by

How did I get through those nights  
Before that moment I held you tight  
And where was I before your kiss  
And how did I exist without you  
Life had no meaning, no reason and no rhyme  
And before you I don't know how I got by

Before I met you, before I held you in the night  
I don't know how I survived  
Before I found you, before you made everything right  
I was half alive, I wasn't really living till you came into my  
life  
I got through baby  
But I don't know how I got by

I thank God when I wake each day  
Awaking next to you  
Don't know what I was living for  
Before you, before you ohh

Before I met you, before I held you in the night  
I don't know how I survived  
Before I found you, before you made everything right  
I was half alive, I wasn't really living till you came into my  
life  
I got through baby  
But I don't know how I got by

Before I met you  
I don't know how I got by
