

Romeo And Juliet

Edwin McCain

A lovestruck Romeo
Sings the streets a serenade
Laying everybody low
With a love song that he made
Finds the streetlight
Steps out of the shade
Says something like:
"You and me, babe, how about it?"

Juliet says: "Hey it's Romeo,
You nearly gave me a heart attack"
He's underneath the window
She's singing: "Hey la my boyfriend's back
You shoudn't come around here
Singing up at people like that
Anyway, what you gonna do about it?"

Juliet, the dice was loaded from the start
And I bet and you exploded in my heart
And I forget, I forget the movie song
When you gonna realise
It was just that the time was wrong, Juliet?

Come up on different streets
They both were streets of shame
Both dirty, both mean
Yes and the dream was just the same
And I dreamed your dream for you
And now your dream is real
How can you look at me
As if I was just another one of your deals?

When you can fall for chains of silver
You can fall for chains of gold
You can fall for pretty strangers
And the promises they hold
You promised me everything
You promised me thick and thin, yeah
Now you just say "Oh, Romeo, yeah
You know I used to have a scene with him"

Juliet, when we made love you used to cry
You said: "I love you like the stars above, I'll love you till I die
There's a place for us, you know the movie song
When you gonna realise
It was just that the time was wrong, Juliet?

I can't do the talks
Like they talk on the tv
And I can't do a love song
Like the way it's meant to be
I can't do everything
But I'd do anything for you
I can't do anything except being in love with you

And all I do is miss you
And the way we used to be

All I do is keep the beat
The bad company
All I do is kiss you
Through the bars of a Orion
Juliet I'd do the stars with you any time

Juliet, when we made love you used to cry
You said: "I love you like the stars above, I'll love you till I die"
There's a place for us, you know the movie song
When you gonna realise
It was just that the time was wrong, Juliet?

A lovestruck Romeo
Sings the streets a serenade
Laying everybody low
With a love song that he made
Finds the streetlight
Steps out of the shade
Says something like:
"You and me, babe, how about it?"
You and me, babe, how about it?
