

## Calling You

Edyta Górniak

A desert road from Vegas to nowhere  
Some place better than where you've been  
A coffee machine that needs some fixing  
In a little café just around the bend

I am calling you  
Can't you hear me  
I am calling you

The humdrum wind blows right through me  
The baby's crying and I can't sleep  
But we both know a change is coming  
Coming closer so we'd release

I am calling you  
I know you hear me  
I am calling you oh
