

On the Run

Edyta Górniak

My heart is on the run
forever
Following the sun
Reachin' for the sky
and further
Makes me who I am

I'm always on the run
always
Believe there's something more
I would never say
it's over
Faith is what keeps me going

My heart is burnin'
Ehh
My heart is burnin'
burnin'

My heart is burnin'
Ehh
My heart is burnin'
burnin'

My heart is burnin'
Ehh
My heart is burnin'
burnin'

My heart is burnin'
My heart is burnin'
burnin'
burnin'

My heart is burnin'
My soul

My heart is on the run
forever
Looking for a home
Angels guide me to
my heaven
When demons take control

I see the world around
falling
Justice never wins
Even if the storm is coming
I'll find my way
as long as
as long as

My heart is burnin'
Ehh
My heart is burnin'
burnin'

My heart is burnin'
Ehh
My heart is burnin'
burnin'

My heart
My soul
My heart is burnin'
As long as
As long as
My heart is burnin'

My heart
My soul

My heart is burnin'
