

# One And One

Edyta Górniak

A sky isn't always blue,  
A sun doesn't always shine.  
It's alright to fall apart sometimes.

I am not always you,  
And you are not always mine.  
It's alright to fall apart sometimes.

After all is said and done,  
One and one still is one.  
When we cry, when we laugh,  
I am half, you are half.

A heart isn't always true,  
And I am not always fine.  
We all have an angry heart sometimes.

After all is said and done,  
One and one still is one.  
When we cry, when we laugh,  
I am half, you are half.

Look how far we have come,  
One and one still is.....

One moon, one star,  
I love the one we are.  
One thread, one line,  
Let's stand still in time.

One moon, one star,  
I love the one we are.  
One thread, one line,  
That runs through our lives.

After all is said and done,  
One and one still is one.  
When we cry, when we laugh,  
I am half, you are half.

Look how far we have come,  
One and one still is one,  
Still is one, still is one.
