

Perfect Moment

Edyta Górniak

This is my moment,
This is my perfect moment with you.
This is what God meant,
This is my perfect moment with you.

I wish I could freeze
This space in time
The way I feel
For you inside
This is my moment,
This is my perfect moment with you.

Tell me you love me
When you leave
You're more than a shadow -
That's what I believe.
You take me to places
I never dreamed I'd see.
Minute by minute
You are the world to me.

I wish I could frame
The look in your eyes
The way that I feel
For you inside
This is my moment,
This is my perfect moment with you.

And if tomorrow brings a lonely day
Here and now I know I haven't lived in vain.
I'll cry my tears in the rain,
And if love never comes again
I can always say I've been
To paradise skies in your eyes... in your eyes.

So tell me you love me
The moment you leave.
You're more than a shadow
I just got to believe.

I wish I could keep you
All of my life
The way that I feel
For you inside
This is my moment,
This is my perfect moment with you.

This is my moment,
This is my perfect moment with you.
With you.
