

## Perfect Moment

Edyta Górniak

This is my moment,  
This is my perfect moment with you.  
This is what God meant,  
This is my perfect moment with you.

I wish I could freeze  
This space in time  
The way I feel  
For you inside  
This is my moment,  
This is my perfect moment with you.

Tell me you love me  
When you leave  
You're more than a shadow -  
That's what I believe.  
You take me to places  
I never dreamed I'd see.  
Minute by minute  
You are the world to me.

I wish I could frame  
The look in your eyes  
The way that I feel  
For you inside  
This is my moment,  
This is my perfect moment with you.

And if tomorrow brings a lonely day  
Here and now I know I haven't lived in vain.  
I'll cry my tears in the rain,  
And if love never comes again  
I can always say I've been  
To paradise skies in your eyes... in your eyes.

So tell me you love me  
The moment you leave.  
You're more than a shadow  
I just got to believe.

I wish I could keep you  
All of my life  
The way that I feel  
For you inside  
This is my moment,  
This is my perfect moment with you.

This is my moment,  
This is my perfect moment with you.  
With you.
