

## Soul Boy

Edyta Górniak

Won't you be my soul boy,  
Won't you be my soul.  
There's been no one like you,  
Trusted and true.

I just wanna be loved by you.  
Just wanna be loved by you,  
Like a soul boy.

Won't you be my soul boy.  
And take me as I am.  
I had enough of bad dreams,  
And one night stands, baby.

I just wanna be loved by you.  
I want to be really loved by you,  
Like a soul boy.

Take me as I am boy, hold me while you can.  
There's not a woman in the world,  
Lovin' you better than I do.  
Take me as I am.  
Be like a soul boy.

I don't wanna be with no one else  
I don't wanna kiss no one else.  
I want you to be my soul boy.

No more fighting and no more leaving.  
It ain't exciting and I quit believing.  
That you're my soul boy, soul boy, soul boy
