

## A Line in the Dirt

Eels

She locked herself in the bathroom again  
So I am pissing in the yard  
I have to laugh when I think how far it's gone  
But things aren't funny any more

I drew a line into the dirt  
And dared her to step right across it  
And she did

So I am knocking on the door again  
I say, "Do you want to be alone?"  
She says, "No I don't wanna be alone  
But I think that you do

I drew a line into the dirt  
And dared her to step right across it  
And she did

And I know she's right, I know how it would be  
If I had my own way with the world  
As I know it should be

She locked herself in the bathroom again  
So I've been shutting down the lights  
And I don't know if I'll ever go back again  
I'm drivin' straight into the night

I drew a line into the dirt  
And dared her to step right across it  
And she did
